

50X1-HUM

Title: INDOCTRINATION OF CHILDREN IN CHINA

Source: Chinese elementary and middle school textbooks (20), 1950

CONFIDENTIAL

CONFIDENTIAL

Remarks:

A careful survey of each textbook forwarded by ^{CNE}GRI/State was made by BF/TDD to study the indoctrination of children by the Chinese Communist authorities. No attempt was made by BF/TDD to collate the indoctrination materials extracted from these texts to prepare an analysis report. References are made, however, to those sections of the attached translation containing information which may help to answer the questions submitted.
